OFFICIAL RULEBOOK

GRAVEL EXPERIENCE 2026

Updated 27/10/2026. Dates use DD/MM/YYYY. All times are local to Uruguay.

1. Introduction

1.1. Gravel Experience is part of the official Threerace Bike Ultramarathon Uruguay 2026 program, a gravel cycling, adventure and endurance event held in the Department of Rocha, Uruguay.

1.2. Two stages totaling 174 km: Stage 01 on 31/10/2026, 101 km with 1,280 m of elevation gain, starting at 07:45 at Centro Polideportivo Rocha (L. A. De Herrera, 27000 Rocha, Uruguay), with a 7-hour limit; Stage 02 on 01/11/2026, 73 km with 670 m of elevation gain, starting at 08:20 at Mirador La Pedrera, La Pedrera, with a 4h30 limit. Men's and women's classifications are based on accumulated time.

1.3. Gravel Experience will have men's and women's overall classifications based on the accumulated time of the two stages.

2. Participation Conditions

2.1. Registration for Gravel Experience implies complete, voluntary and irrevocable acceptance of this rulebook, the event's general regulations and all decisions of the organizers.

2.2. The participant declares that they are fully aware of the risks associated with gravel cycling and releases the organizers, sponsors, private landowners, government entities, collaborators, volunteers and anyone associated with the event from liability, within the limits permitted by applicable law.

2.3. Gravel Experience will take place on rural roads, dirt sections, natural terrain, possible paved sections, roads open to traffic and areas subject to variable weather conditions.

2.4. By registering, the participant accepts the inherent risks of the event, including, among others:

- Falls;
- Injuries;
- Dehydration;
- Accidents;
- Mechanical failures;
- Navigation problems;
- Adverse weather conditions;
- The presence of vehicles, animals, pedestrians, agricultural machinery or other road users.

2.5. Participants must be self-sufficient throughout the course, including food, hydration, navigation, resolving mechanical problems and making decisions during the race.

2.6. Gravel Experience is intended for people with good physical fitness, endurance cycling experience and the ability to complete long courses on mixed terrain.

2.7. Participants must be 18 years old on the event date.

2.8. Minors may participate only with the express authorization of a parent or legal guardian, in accordance with the criteria established by the organizers.

2.9. Bicycles suitable for gravel, in good mechanical condition and appropriate for mixed terrain are permitted.

2.10. Drafting between participants is permitted.

2.11. The following are prohibited:

- Drafting or riding behind motor vehicles;
- Receiving a tow or propulsion from vehicles, motorcycles, electric bicycles or other means;
- Changing bicycles during the race without express authorization from the organizers;
- Participating on a bicycle that poses a risk to the athlete or to others.

2.12. The organizers may prevent any participant from starting if their bicycle does not meet minimum safety requirements.

2.13. External assistance is permitted only at official stations designated by the organizers.

2.14. Support may include supplying water, food, clothing, tools, accessories or basic mechanical assistance, provided it takes place within authorized stations.

2.15. The following are not permitted:

- A mobile support vehicle accompanying the athlete;
- Resupply outside authorized stations;
- Changing bicycles;
- Towing or assistance that gives an unfair sporting advantage.

3. Categories

3.1. Gravel Experience will have open categories with no age divisions.

3.2. The official categories will be:

- Men's Category: an overall men's category open to all male participants registered for Gravel Experience.
- Women's Category: an overall women's category open to all female participants registered for Gravel Experience.

3.3. Classification will be determined by the accumulated time of the two stages, adding the official Stage 01 and Stage 02 times.

3.4. To appear in the final classification, participants must complete both stages within the specified time limits, follow the entire official route and have no penalties resulting in disqualification.

3.5. There will be no age categories within Gravel Experience.

4. Registration and Entry

4.1. To validate an entry, the participant must:

- Correctly complete the registration form on the Windfit website;
- Make the corresponding payment within the established deadline;
- Provide the documents requested by the organizers, where applicable;
- Sign the liability waiver when collecting the race kit;
- Personally collect the athlete kit at the place, date and time announced by the organizers. Kit collection at Casa Bahia, La Paloma: 29/10 from 16:00 to 21:00 and 30/10 from 15:00 to 19:00.

4.2. The organizers may request a medical certificate, a valid health certificate or a declaration of physical fitness, according to event requirements.

4.3. Conditions for cancellation, entry transfers, changes of entry holder, refunds or credits will follow the rules established by the organizers in the official event registration policy.

4.4. The organizers may set specific deadlines for changes of entry holder or registration adjustments.

4.5. The organizers reserve the right to modify, postpone, neutralize, cancel or alter all or part of the event, any stage, course, schedule, start, finish or aid station due to weather, logistical, health or safety reasons, force majeure or a decision by the competent authorities.

4.6. In the event of changes, official decisions will be communicated through the organizers' official channels.

5. Mandatory Equipment

5.1. Every participant must carry the following minimum mandatory equipment throughout the race:

- A correctly fitted and fastened cycling helmet;
- A bicycle suitable for gravel and in good mechanical condition;
- The official event number displayed visibly on the bicycle;
- A charged mobile phone capable of communication;
- A GPS or device with the GPX file loaded;
- A hydration system with a recommended minimum capacity of 1.5 liters;
- A basic repair kit;
- A spare inner tube, patches or an equivalent system;
- An air pump or CO2 cartridge;
- Clothing suitable for cycling;
- Identification.

5.2. Recommended equipment:

- A tubeless system;
- A multi-tool;
- Front and rear lights;
- Protective eyewear;
- Gloves;
- Sunscreen;
- Cash;
- Additional food and hydration;
- Chain lubricant;
- Personal accident insurance.

5.3. The organizers may require additional equipment based on weather conditions, course characteristics or safety requirements.

6. Identification Number

6.1. The organizers will provide an official identification number, which must be visibly attached to the bicycle throughout the race.

6.2. The number must not be cut, folded, altered, covered or removed during the course.

6.3. Failure to display the official number, or its incorrect use, may result in a penalty or disqualification.

7. Safety

7.1. Gravel Experience will take place on open routes, rural roads, natural areas and sections shared with other users.

7.2. Participants are responsible for their own safety and must respect:

- Applicable traffic laws;
- The organizers' instructions;
- Instructions from staff, marshals, authorities and volunteers;
- Course signage;
- The passage of vehicles, pedestrians, animals and other cyclists.

7.3. Every participant must assist another athlete in an emergency or a situation of serious risk.

7.4. In the event of an accident, medical emergency or withdrawal, the participant must immediately contact the organizers' official phone number.

7.5. The organizers may suspend, neutralize, modify or cancel a stage whenever they consider there to be significant risks to the safety of participants, event staff or others.

8. Time Limits

8.1. The official time limits are: Stage 01, 101 km, 7 hours; Stage 02, 73 km, 4 hours and 30 minutes.

8.2. Athletes who exceed the time limit may be officially withdrawn from the race or continue at their own risk and expense, without entitlement to official classification, awards or course support.

8.3. The organizers may establish intermediate cutoff points for safety, logistical, weather or operational control reasons.

9. Withdrawal

9.1. Participants who decide to withdraw must immediately notify the organizers through the designated official channel, preferably by WhatsApp, SMS or direct communication with an authorized staff member.

9.2. Athletes who withdraw without notifying the organizers may be considered missing during the race, causing an unnecessary deployment of safety resources, and may be barred from future editions.

9.3. The organizers are not obliged to provide return transport following withdrawal, except in emergencies or when determined by race management.

10. Disqualification and Penalties

10.1. Grounds for penalties or disqualification include:

- Littering on the course;
- Disrespecting organizers, participants, residents, authorities, staff or others;
- Failing to carry mandatory equipment;
- Failing to follow event staff instructions;
- Using unauthorized routes;
- Taking shortcuts;
- Missing checkpoints;
- Receiving support outside authorized stations;
- Changing bicycles without authorization;

- Receiving a tow, push or unauthorized external assistance;
- Riding behind motor vehicles;
- Failing to wear a helmet;
- Using another participant's number;
- Participating with an irregular entry;
- Endangering one's own safety or the safety of others;
- Failing to report withdrawal.

10.2. Race management has the authority to assess each situation and apply warnings, time penalties, disqualification or exclusion from the event.

11. Route

11.1. The official route will be provided by the organizers in GPX format and/or through other official means.

11.2. Following the official route is mandatory.

11.3. Any unjustified deviation, shortcut or alteration of the course may result in a penalty or disqualification.

11.4. Participants are responsible for correctly loading the GPX file onto their devices and familiarizing themselves with the course's general characteristics in advance.

11.5. The organizers may modify the route before or during the event for reasons of safety, weather, permissions, terrain conditions, traffic, force majeure or a decision by the authorities. Aid stations: Stage 01 at km 63, with mechanical support; Stage 02 at km 18 and 55, with mechanical support at km 55. External assistance is allowed only at authorized official stations.

12. Minimum Number of Participants

12.1. The running of Gravel Experience is subject to technical, logistical and operational criteria established by the organizers.

12.2. The organizers may cancel, modify or regroup activities if the minimum number of participants needed for the event's viability is not reached.

13. Awards

13.1. Official Gravel Experience awards will be based on the accumulated overall classification of the two stages. Official results on 01/11 at 14:00 and Gravel Experience awards at 14:30. Event closing at 15:00.

13.2. Awards will be presented to:

- Men's Category: 1st to 10th place in the men's overall classification.
- Women's Category: 1st to 5th place in the women's overall classification.

13.3. To be eligible for awards, participants must:

- Complete both stages within the specified time limits;
- Follow the entire official route;
- Pass all checkpoints designated by the organizers;
- Have no penalties resulting in disqualification.

13.4. Absence from the official awards ceremony may result in loss of entitlement to the trophy, unless the organizers accept the athlete's justification.

14. Individual Sponsors

14.1. Athletes may display personal sponsor logos on their clothing, bicycles and personal equipment, provided these do not conflict with event rules, safety, morality, applicable laws or official event sponsors.

15. Exploitation and Image Rights

15.1. The organizers reserve all rights to use images, video, photography, audio, results, timing records and any audiovisual material captured during the event.

15.2. Registration implies the participant's consent to the use of their image, name, voice, results and audiovisual records for promotional, commercial, institutional and event publicity purposes, without entitlement to additional compensation.

16. Applicable Law

16.1. Any dispute relating to Gravel Experience will be resolved under the applicable laws of the Oriental Republic of Uruguay.

16.2. Matters not covered by these rules will be assessed and decided by the organizers and race management, whose decisions will be final within the sporting and operational scope of the event.

17. General Provisions

17.1. Participation in Gravel Experience constitutes full acceptance of this rulebook.

17.2. The organizers may make technical, sporting, logistical and operational adjustments whenever they consider them necessary to preserve safety, quality and the proper running of the event.

17.3. All official communications will be made through channels designated by the organizers.

17.4. Lack of knowledge of this rulebook does not exempt participants from complying with it.
