CERTIFICATE

I certify that the participant identified above has undergone a medical assessment and that, on the date of this examination, no apparent clinical contraindications were identified for long-duration cycling and participation in **Threerace Bike Ultramarathon Brasil 2027**, in the **Ultra format, over three consecutive days and a planned course of 157 km, with 2,470 m of cumulative elevation gain**, including prolonged exertion, paved and unpaved sections, weather variations and following the official course.

Based on the assessment performed, I consider the participant:

- ☐ FIT to participate in the event.
- ☐ FIT WITH RECOMMENDATIONS / RESTRICTIONS described below.

- ☐ UNFIT to participate in the event.
